

TuxiNet Terminal – Event Usage Agreement

This agreement outlines the conditions for borrowing and operating TuxiNet Terminal (v0.6.0 Beta) at an event.

1. The system must only be operated via touch interface.
2. The browser must not be closed during operation.
3. Physical access to the machine must be restricted.
4. Any technical issues must be reported immediately.
5. No software modifications are allowed without approval.
6. Backup runs automatically and must not be disabled.
7. The system remains property of TuxiNet.dk.
